Chester County Library System – Borrowing Policy

Borrowing Policy

The Chester County Library System (CCLS) provides prompt, accurate and courteous service to all patrons regardless of race, color, ethnicity, national origin, gender, sexual orientation, religion, age, socioeconomic status, disability, immigration status, background, and/or views. It offers this in fulfillment of its mission to develop services, resources and collections that meet the cultural, informational, recreational, and educational needs of its diverse community.

Service to the public takes priority over any other duties. We handle in-person and telephone requests for service in the order that they arrive, but temper this rule by handling brief requests before lengthy ones if patrons are waiting. If a patron has a time-consuming request that is delaying service to other patrons, we offer to complete the questions later, or we get help from another staff member.

All patron transaction records are strictly confidential. With the proper ID or library card number, a patron can get a printout of his/her fines or outstanding books and may be told his/her standing on a reserves waiting list. No information may be given regarding any other patron unless that patron's account indicates permission.

CCLS member libraries issue library cards to establish a patron account, facilitate loan of materials and use of online resources, and to enable the libraries to keep a record of which materials are on loan to patrons. Individuals who live, work, own property or attend school in Chester County are eligible for a free library card. CCLS member libraries are participants in the ACCESS PA Statewide Library card program and abide by its rules and regulations for free patron reciprocal library cards. Other individuals who desire a library card may be charged a fee.

Parents or Guardians are responsible for their minor's access to materials and services. The CCLS member libraries and staff do not act *in loco parentis*.

CCLS sets loan periods and loan limits in order to provide patrons with fair and reasonable access to the libraries' materials. The CCLS sets limits on the length of time that an individual can keep a specific type of material in order to more fairly distribute limited materials. The limit also reflects the fact that it takes more time to utilize some types of materials than others.

CCLS allows for the renewal of library materials as a courtesy to patrons who have not completed their use of an item. Limits on renewals exist so that all patrons can have an equal opportunity to use the libraries' materials.

CCLS charges fines as an incentive for patrons to return materials in a timely manner so that other patrons can have access to the items.

CCLS charges a processing fee to offset the cost of recovering and replacing lost and damaged library materials. Some member libraries charge borrowing fees for providing certain popular and high-demand materials (i.e., rental books, DVDs, audiobooks).

At the discretion of the owning Library's Director or designee, CCLS member libraries may extend continued borrowing privileges to patrons who claim that they have returned materials that the circulation system indicates are still checked out to them.

CCLS sends notices to patrons in the form of due date reminders by email, and overdue notices by email, phone or letter, as a courtesy to remind them when items are due, and of materials kept past the due date. Patrons are notified by mail when being billed for items that remain outstanding after prior notice.

CCLS accepts requests (holds) for circulating library materials in order to provide access to high demand materials and materials located at the various member libraries. Holds are fulfilled in chronological order by which they are received from the patron.

CCLS utilizes the services of a collection agency to assist the library in recovering long overdue materials, billed charges for lost and damaged items, and/or unpaid balances. This allows us to maintain the integrity of the libraries' collections and ensure availability of materials to library users.

Library Cards

Definition

A card containing a 14 digit unique identifying number issued to a patron to establish a patron account. This card facilitates the use of online resources and enables the libraries to maintain a record of which materials are on loan to a patron.

Regulations

Obtaining a Library Card

1. On the library card application, the applicant must provide his or her full, legal name, address, and date of birth.
2. Adult applicants must also provide valid ID (i.e., driver's license) that verifies name and current address.
3. Anyone under the age of 18 may be issued a library card after completing an application provided that the applicant's parent or adult guardian signs the application to evidence his/her agreement to be financially responsible for the use of the card and any fines or other charges incurred pursuant to the Borrowing Policy.
4. *The parent or legal guardian and minor must be present in order to apply for a library card. Exceptions may be granted by a member library's Director or designee.*
5. Upon turning 18 a minor who has a library card will need to apply for a new card and thereby assume financial responsibility for his account.
6. Emancipated minors who have proof of their court ordered emancipation, may receive a card without parental consent.
7. Institutions may receive an institutional library card providing the Director (or other authorized person) of the agency is willing to sign a statement committing the institution to being responsible for all books checked out on the institutional card.
8. Provisional library cards are available to PA state residents who cannot provide ID to verify current address. These cards are issued with a 90 day expiration date, and 2 item borrowing limit. Provisional status and restrictions are removed when ID that verifies current address is presented. Please contact your local library for more information.
9. All library cards are verified as active accounts every three years. If at the end of three years there has been no activity on the account and there are no outstanding charges or unreturned materials, the account is considered inactive and is deleted.
10. Active adult library card accounts are subject to a 3 year expiration period. Expired cards cannot be used to borrow or renew materials, place holds, or download e-materials. To reactivate an expired card the cardholder must present ID that verifies current address, in person, at any member library.

Borrowing Privileges

1. Patrons can maintain full library borrowing privileges by:
 - a. returning materials on or before the due date
 - b. adhering to the borrowing limits for all types of material (100 items at a time maximum)
 - c. paying for lost or damaged materials before the item is 28 days overdue

Chester County Library System – Borrowing Policy

Regulations and Procedures

- d. not exceeding a total of \$10.00 owed on their account
 - e. promptly informing the library of any change of address or phone number
 - f. presenting ID that verifies current address prior to the library card expiration date of an adult cardholder
2. Patrons must provide a library card to check out library materials. If a library card is not available, the patron must provide an ID and proof of address that exactly matches the address in the patron's account.
 3. Patrons under the age of 18, if unable to provide a library card or ID, may verbally provide address and phone number as proof of identification, but both the address and phone number must match those in the library's records. If the child cannot provide address and phone number, a parent or guardian may do so for them, if both are present.
 4. Whenever a patron calls a member library to conduct a transaction on his/her account, he or she must provide a library card number and/or his or her name.
 5. A patron's account is considered delinquent when items are overdue or money is owed. This status may affect the patron's ability to borrow materials from the library, or to place items on reserve.
 6. A patron's borrowing privileges may be suspended under the following circumstances:
 - a. When an item is overdue by 28 days.
 - b. A patron exceeds borrowing limits by type or quantity of material.
 - c. When the total amount of unpaid fines and fees exceeds \$10.00.
 - d. When a patron's account has been referred to the Collection Agency and all money owed has not been paid in full.
 - e. A patron's library card has expired.
 - f. A parent or guardian has completed required documentation to "Withdraw Consent to be Responsible Party" for a minor's library account.

In these instances, the patron's borrowing privileges will be suspended until the outstanding issue is resolved.

7. Using another patron's library card to check out materials is permitted. However the card must be presented to do so. Without the card, items cannot be borrowed on another patron's account. The only exception to this is for pick-up of reserved items by a designee whose permission is specifically noted in the account.

Lost, Stolen, or Previously Issued Library Cards

1. Patrons must report lost or stolen cards in order to avoid being held responsible for materials checked out on their cards.
2. There is a charge of \$3.00 to replace a lost library card.
3. In the event that a card is reported stolen, the library has the option of waiving the replacement fee.
4. If a patron reports a card lost or stolen, the patron must provide identification in order to get a new library card in addition to paying the \$3.00 replacement fee. Children under the age of 18 who do not have ID, may use a parent or guardian's ID with matching address.
5. If a patron comes to the circulation desk with a previously issued library card (i.e. a card that has been replaced with another card), the patron must show identification before the staff person will look up the current active account.

Chester County Library System – Borrowing Policy

Regulations and Procedures

Patron Responsibilities

1. A library patron is responsible for all materials checked out on his or her card and on the cards of minors for whom he/she has assumed responsibility for on a library card application.
2. The individual named on an adult account, or the adult who has signed as responsible party for a minor's card, is responsible for all fines and fees assessed to that account.
3. An adult who has signed as "Responsible Party" for a minor's library card may withdraw that consent at any time by completing a "Withdrawal of Consent to be Responsible Party" form in person at any member library.
4. Withdrawal of consent will suspend borrowing privileges on the account, but does not release the responsible party from the proper care and safe return of materials currently borrowed or for payment of all charges incurred on the account prior to the date of withdrawal of consent.
5. All lost or stolen library cards should be reported immediately so that a message can be added to the account to prohibit unauthorized use of the card. The owner of the card is responsible for all items checked out on the card until the card is reported lost or stolen.
6. When a patron moves, it is the responsibility of the patron to inform circulation staff at a member library of changes to his/her address, telephone number, email address or other account information.

3. Employees must wait their turn on reserve lists and may not change their priority to be higher on the list for materials.
4. Staff members who leave the employ of a CCLS member library (non-retirees) will have their status changed from "employee" status to "standard" patron status.
5. Retirees

 - Member libraries will establish criteria for eligibility for retiree status.
 - Retired library employees will be fine free and fees will be decided at each member library.

7. Individuals who abuse these privileges may have their borrowing privileges revoked.

Claims Returned

Definition

Claims returned means that a patron has indicated that they have returned an item that the circulation system indicates is still on their account.

Regulations

1. If a patron indicates, by phone or in person, that they have returned items the circulation system indicates are still checked out to them, the staff will search the shelves for the items. This may include contacting other member libraries.
2. A shelf search will be initiated by a staff member who will advise the patron of the amount of time it will take to conduct a thorough search for the item.
3. If the search cannot be done immediately, the patron will be instructed to expect a call from staff, or be advised to contact the library or view their account online at the end of a designated period to determine the results of the search.
4. At the same time, library staff should instruct the patron to do a thorough search of their premises as well.
5. If the item in question is found on the library's shelves, the patron will be notified and the item will be discharged from the patron's account in such a way that no fines will be incurred.
6. Patrons may perform their own shelf search for the items in question. If they are found, the items will be discharged from the patron's account in such a way that no fines will be incurred.
7. If the items in question are not found on the library's shelves, with approval of the library Director or designee, a staff member may mark the item Claims Returned and discharge the item from the patron's account.
8. When staff marks an item as Claims Returned, a claims returned note is added to the patron's account automatically by the circulation system. This note will be removed from a patron's account only if the item is located either by the patron at home or by staff at the library.
9. The library maintains, as a part of the patron's account, a count of the number of items a patron has claimed to return over their borrowing history as a patron. This history, along with the patron's general account status, may be utilized when deciding to mark an item Claims Returned and to discharge it from the patron's account.
10. If a patron finds an item previously claimed to be returned, they are expected to return the item to the library and will not incur an overdue penalty for doing so.
